## A Final Hurrah— the O.A. August Weekend

As Camps Conestoga and Buck Run close after a fantastic summer, it is time to turn our attention to the August Fellowship weekend at Camp Conestoga on August 18, 19, 20, 1978. We are having many spectacular activities happening at the weekend. This is a weekend that none of the lodge brothers will want to miss!

There will be silk-screening Saturday morning. Everyone should bring a T-shirt to have a one-time-only O. A. design printed on it. Everyone should also bring their bathing suits and medical forms. The pool will be open IF circumstances permit. Other activities include cooking and taxidermy exhibitions and an exciting softball game!

Since this is the last weekend of our lodge year everyone should be there to install the 1978-1979 Lodge Officers and end a great lodge year. Remember to bring your COMPLETE UNIFORM AND SASH TO BE WORN THE ENTIRE WEEKEND.

Hello,

Rapidly coming up is our August Fellowship Weekend. This gala event will be filled with many activities, but most important, our brotherhood again has a chance to be strengthened.

During this weekend I'll be turning over the bonnet to our newly elected chief, Tom Vater. I wish him luck in the coming year and I hope you will support Tom as I have been supported.

I extend a special thanks to my executive board, Jerry Sutherland, Mr. Somerville and Mr. Miller for their help this year.

See you all in August.

Yours in Service,  
Dan Ferguson  
Chief

P.S.—Will Ben and Pete please bring their tennis shoes.

## Conclave '78 Recap

### INTELLIGENCE REPORT: (WWW)

On the 9th, 10th and 11th of June in the year of our Lord one thousand nine hundred and seventy-eight, a delegation of 54 Wagon brothers disembarked on the concrete shores of Edinborough State College for this year 5-C Section Conclave.

From the North they came, from the South, East and West, from every district of intelligence headquarters at Westmoreland - Fayette Council.

Soon after rambling on through the check-in & the "picking-up of the room keys ceremony", a super-psyched Wagon dug into their quarters for the weekend invasion of the year.

You could feel it in the air as the first bombshell roared into the famous lodge songs of Wagon 6.

The regiment of 54 easily took the auditorium with little opposition as they filed in the rows for their own "carefully & painstakingly" planned shows for the enjoyment of all (Especially "Lodgemother") who, with the help of her Bellowing Brotherhood Chorus helped greatly in both gala gatherings.

Saturday had hardly broken with spindles of sunlight when suddenly there swarmed through the halls and down o'er the stairs the squirt-gun-armed regulars & officers of the T-Bird invasion.

With the lodge display set up in all it's glory, all brothers set out upon the field of Edinborough to join in lodge-to-lodge combat.

When the dust had finally settled in 5-C's Aqua-Rama, Physio-Ramo and various fieldsport activities, (like pie-eating contests, right John?) victory lay in the hands of Wagon.

Once again demonstrating the awesome raw power and blunt force of a true working unit, Wagon captured First place in the Psycho-Rama, Second in the Aqua-Rama, and tied in the overall participation award with Langundowi Lodge.

Without a doubt, in our lodge or any other in 5-C, the entire program of this conclave at Edinborough proved to be one of the best of it's kind ever, so be proud it was Wagon that had a part along with all the rest in making this year's conclave the total success that it truly was — Thanks Wagon.
