

WAGION LODGE 6
ANNUAL SPRING NATURE WALK

**Saturday, May 12th, 2012
@ Eberly Scout Reservation**

ATTENTION PACK LEADERS:

You are cordially invited to Wagon Lodge 6, Order of the Arrow's Annual Spring Nature Walk hosted by the Conservation Committee. There's nothing quite like walking through the beautiful Eberly Scout Reservation and witnessing the magnificent mystery of nature at in its full, springtime bloom.

We aspire to have Cub Scouts and their families leave with a greater understanding and appreciation of the works of nature, including living creatures, habitats, outdoor spirituality, and much, much more!

The schedule includes numerous "hands-on" learning experiences and presentations that will entertain the entire family! Participants will travel along a guided journey, stopping at stations, each of which has a different learning surprise in store. Not to mention, Cub Scouts will satisfy requirements for several belt loops!

Registration is limited to the first 200 Cub Scouts, so don't delay! You can find the registration form on the reverse side of this paper. The deadline for registration is April 30th, 2012. Rain or shine, you're still guaranteed to have a great time! Please dress according to weather!
